

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The newspaper/broadcast

cross-ownership cap is a crucial element of our democratic media, and it should not be weakened.

As a United States Citizen I strongly oppose weakening the cable ownership cap, or the broadcast/newspaper crossownership rule. It is against the best interest of the public to be less informed as it would be with a less broad based media!
